**Moore County Health Department Releases 2013 Community Opinion Survey**

The Moore County Health Department is seeking input from the community. An opinion survey of 6 questions is currently posted on the health department website. The short survey takes only a few minutes to complete and is part of the department's accreditation process through the North Carolina Local Health Department Accreditation Board.

"We value the opinions of our citizens. Community input will help us assess the services our agency currently offers and it can also help to determine if there are other services our citizens may want our department to provide", states Robert Wittmann, Health Director.

The survey will run from August 1 to August 30. Citizens are encouraged to complete the survey on the department's website, [www.moorecountync.gov/health](http://www.moorecountync.gov/health), or they may pick up a hard copy of the survey at one of the department's two facilities listed below:

Environmental Health – 1042 Carriage Oaks Drive, Carthage  
Health Department – 705 Pinehurst Avenue, Carthage

For more information, please contact the health department at 910-947-3300.
